Prostate Biopsy Kits

SBMF will be transitioning to a new Prostate Biopsy kit like the one shown below. Distribution of the new kits will begin once our current inventory has been depleted.

Collection Instructions:

Open the box and pull ONLY the corresponding container to the biopsy being taken, have the physician dispense the biopsy directly into the formalin. Label the container with two patient identifiers, for example, name and DOB. Place the provided location sticker on the container, not the lid.

If you have further questions, please contact one of our Client Support representatives at 574-236-7263 or feel free to reach out to your Account Executive; Laura Lehman, 574-309-2591 or Meghan Berkheiser, 574-286-0287.
