

Notification Date: 08 May 2026

## Memorial Day Holiday Instructions

In observance of the Memorial Day holiday, South Bend Medical Foundation (SBMF) will be closed Monday, May 25, 2026.

Courier service on Monday, May 25 will be running with a Sunday/Holiday schedule. This means that if you do not have a scheduled Sunday pick up you will need to store specimens at the appropriate temperature to ensure stability.

SBMF Blood Bank Services will NOT be staffed on-site for the Memorial Day holiday. There will only be on-call service beginning Sunday, May 24, 2026 at 23:00, through Tuesday, May 26, at 06:00. Both component staff and technical staff will be on-call for emergencies. Please plan ahead for routine inventory orders. If you are an overnight customer, please order for delivery to arrive Friday, May 22 if possible.

Urgent needs will continue to be covered with special delivery arranged as necessary. You may continue to phone SBMF Blood Bank Services at 574-251-1760 and allow the phone to roll over to the on-call staff member. Please call before sending any samples for reference lab testing so SBMF can meet your needs.

If you have further questions, please contact one of our Client Support representatives at 574-236-7263.

Thank you for allowing South Bend Medical Foundation to take care of your Pathology and Blood Bank needs. We hope you have a safe and happy Memorial Day weekend.
